

DCC Corona Guidelines

Disclaimer: This document contains guidelines for individuals to follow who wish to play cricket with Dayton Cricket Club. Every individual is responsible to follow these guidelines to their best, Dayton Cricket Club is not responsible for any individual who is infected or is a source of infection while playing. It is strongly advised to follow these guidelines and any violation will not be tolerated.

Qualification Guidelines:

1. Everyone should understand that it is a serious issue. Practice social distancing.
2. People who have elderly person(s) (60+) in their homes are recommended not come to play.
3. 55+ age players are not recommended to play.
4. Someone who has traveled outside city will not be allowed to play (for at least 14 days).
5. People with diabetes/hypertension/asthma are not recommended to play.
6. People who do not have health insurance are not allowed to play.

Playing Guidelines:

1. Everyone will have to fill out a questionnaire present at the ground as soon as they reach.
2. Temperature check is mandatory before playing
3. Individuals are encouraged to check their temperatures before leaving the house.
4. Avoid traveling together as much as possible.
5. Dugouts of team will be at opposite ends of the ground. Bring your chairs to maintain 6 feet distance in dugout. Using the bench is not allowed.
6. Bring your own mask as much as possible.
7. No huddle for warm ups/wicket/strategy/any discussion.
8. Avoid sharing of kits, bring your own helmet and guard.
9. Alcohol wipes will be provided to clean the ball after every over.
10. No saliva or sweat on the ball at any time.

Note: We all are eagerly waiting to play cricket, hence it is our responsibility that we strictly follow these guidelines and make sure as an individual we are not violating these guidelines for our own safety. Let's be responsible and truthful for everyone's sake.
